PROGRAMME PROJECT REPORT (PPR) - Distance and Online BA

Introduction:

The **Teerthanker Mahaveer University, Moradabad** aims to provide the students with a wide range of skills and competence in the area of Bachelor of Arts. The three-year BA degree is a mix of pure analytical as well as theoretical jainology. The program provides a strong foundation in jainology theories and principles but with a particular focus on examining their relevance to life and managerial situations.

The Distance and Online Bachelor of Arts (BA) Programme is a three-year Programme with inclusion of various specializations. The Programme aims to rebuild the society and improve the quality of spiritual life of the people based on the principle of non-violence. The Programme is designed to inculcate confidence, improve knowledge, and act as a catalyst in the search for success and growth. It emphasizes the theory of relativity of knowledge and thus stand for openers. Jainism thus contributes ideologically to the harmony of religions in India. Its impact on language, literature, arts, architecture and philosophy is paramount.

Programme Mission and Objective:

The Department of Distance and Distance and Online Education, Teerthanker Mahaveer University, Moradabad is providing higher education to the targeted learners. The mission and objectives of the programme are:

- To impart and disseminate quality higher education through distance mode by providing instructional and study materials.
- To provide access to higher education to those people who are not able to pursue higher education through regular mode.
- To improve gross enrollment ratio in higher education.
- To promote research and innovative ideas among the students.

Relevance of Programme with Teerthanker Mahaveer University, Moradabad - Mission and Goals:

The aims of Teerthanker Mahaveer University, Moradabad are to nurture the talent of learners by promoting intellectual growth to shape their personality and serve humanity as multi-skilled, socially responsible, creative, adaptable, contributing and morally sound global citizens. Also it has a mission to provide opportunities and support students from diverse background and assist them to become well-informed global citizens by developing their intellectual, moral, civic and creative capacities to the fullest through multi-faceted education and sustained engagement with local, national and global communities.

Alike, the mission and goals of the institution are to disseminate and advance quality education through instructions and research, to achieve excellence in higher education. The programme is aimed at providing quality higher education through distance education mode to those people who are interested to pursue higher education but do not get or are not able to take admission in regular mode of higher education by giving counseling, instruction and study materials. Hence, the programme is relevant to the HEI's mission and goal.

Vision:

To be recognized as a premier institution of excellence providing high quality of jainism discipline related education and research.

Mission:

Our endeavor is to impart knowledge and develop critical skills necessary to succeed both in professional and personal life by promoting learning supported by world-class faculty, infrastructure, technology, curricula and collaborative teaching and research in jainism stream with premier institutions in India and abroad.

Nature of Prospective Target Group of Learners:

The target group of learners will be dropout students, who have completed class XII and are interested to pursue higher education but could not take admission in regular mode due to various social and economic problems. The targeted groups also include in-service, unemployed youth, defense and police personal, working in NGOs and the students who are preparing for competitive examination. The course also attracts the persons who are interest to know about the statistics as the subject become important tools be used in official works.

Appropriateness of programme to be conducted in Distance and Online mode to acquire specific skills and competence:

These days the common problems being faced by the people are- how to use scarce resources, why the price of the basic commodities are increasing, how does one nation impact the economy of another nation, why the price of same product are varying in different places, why one person is poor and another is rich though they are living in same locality etc. The course would enlighten to the learners about these queries. To do so, the Distance and Online Learning mode would provide quality higher education to the interested learners who are left out by the regular mode. It helps them to acquire competencies and skills in the concerned discipline by providing instruction through counseling, study materials, advice and support. Hence, it is the appropriate mode for acquiring competencies and skills.

The courses in the programme are delivered through Self-Learning e-Module which is a modular unit of e-learning material which is inter-alia self-explanatory, self-contained, self- directed at the learner, and amenable to self-evaluation, and enables the learner to acquire the prescribed level of learning in a course of study and includes contents in the form of a combination of the following e-Learning content, and made available through four-quadrant approach namely,

(a) e-Tutorial - faculty led Audio - Video Lectures, (b) e-Content (combination of PDF/ epub) Text Materials, (c) Discussion forum for raising of doubts and clarifying the same on real time basis by the Course Coordinators/Course Mentors assigned to students (d) Self-Assessment Quiz, Test and Assignments to reinforce learning. Reference books are also mentioned in the syllabus. Latest Edition of Reference books may be referred to.

A robust Learning Management System that keeps track of delivery of e-Learning Programmes, learner's engagement, assessment, results and reporting in one centralized location, is in place. All of the above can be done/delivered by Distance and Online and other platforms without much loss of fidelity. Hence the BA programme is suited for Distance and Online mode of learning.

Instructional Design:

Curriculum Design:

Curriculum has been designed by experts in the area of accounting and care has been taken to include contemporary topics, as well as topics that also inculcate environmental awareness in students. The curriculum and syllabus are approved by the Board of Studies and University Academic Council which consists of experts from Academia and Industry.

9. Quality assurance mechanism and expected programme outcomes

The quality of the programme depends on scientific construction of the curriculum, strong- enough syllabi, sincere efforts leading to skilful execution of the course of the study. The ultimate achievement of BA (JAINOLOGY) programme of study may reflect the gaining of knowledge in Jainology. Gaining of knowledge in jainology may help rebuild the society and improve the quality of spiritual life of the people based on the principle of non-violence. It inculcates confidence, improve knowledge, and act as a catalyst in the search for success and growth. It emphasizes the theory of relativity of knowledge and thus stand for openers. Jainism thus contributes ideologically to the harmony of religions in India.

The benchmark qualities of the programme may be reviewed based on the performance of students in their end semester examinations. Also, the feedback from the alumni, students, parents and employers will be received and analyzed for further improvement of the quality of the programme.

Teerthanker Mahaveer University has constituted Internal Quality Assurance Cell (IQAC) which will assist Director, Directorate of Distance and Online Learning to conduct periodic review and assessment and assist the Directorate to implement necessary quality measures and effectiveness in programme delivery. IQAC is constantly involved in reviewing all materials prepared by DOE, including syllabus, SLMs and e-learning content. IQAC will be involved in conducting studies to measure effectiveness of methods adopted for learning. As we proceed further, IQAC will involve in benchmarking quality of academic delivery, and perform various analyses, and guide all stakeholders towards upgrading quality constantly.

Internal Quality Assurance Cell (IQAC) chaired by the Vice Chancellor consisting of internal and external experts oversees the functioning of Internal Quality Assurance Cell and approve the reports generated by Internal Quality Assurance Cell on the effectiveness of quality assurance systems and processes.

The guidelines on quality monitoring mechanism prescribed by the UGC have been adopted by the Internal Quality Assurance Cell for conducting institutional quality audits, to promote quality assurance and enhance as well as spread best-in-class practices of quality assurance. University has setup an effective system for collecting feedback from the stakeholders regularly to improve its programmes. The University will conduct self- assessments regularly and use the results to improve its systems, processes etc. and finally quality of programmes.
