PROGRAMME PROJECT REPORT (PPR) - Distance and Online M.Com

Introduction:

In today's dynamic business environment, being acquainted with concepts is not enough. It is essential to acquire and constantly upgrade knowledge about various dimensions of accounting and finance. The **Teerthanker Mahaveer University, Moradabad** Distance and Online Programme imparts knowledge and skill sets to students to achieve this and face real world challenges. It teaches application of innovative practices to current business situations. It incorporates analysis of contemporary issues besides providing a strong theoretical foundation. It provides a collaborative learning M.Com environment with dedicated faculty to ensure students achieve their full potential. The Distance and Online

M.Com Programme teaches one to work smartly, take the lead in critical situations, and influence business decisions more effectively. It teaches one to not only work efficiently, but also shape the business environment and create opportunities for further growth.

The **Teerthanker Mahaveer University, Moradabad** aims to provide the students with a wide range of skills and competence in the area of commerce. The two-year programme equips students with the knowledge of advance accounting and financial management, legal environment of business, export and import laws, economic policies and other aspects that influences trade and business. This programme tries for excellence in commerce education and training for accounting, taxation, banking, changing socio-cultural aspirations, the IT revolution and globalization of economies. The Programme is designed to instil confidence, improve knowledge, and act as a catalyst in the search for success and growth.

The curriculum is designed so as to give students an in-depth knowledge of the academic disciplines and applied functional areas necessary to meet the requirements of business enterprises and the industry.

We lay emphasis on the following courses *balanced with core and elective courses*: The curriculum of M.Com program emphasizes an intensive, flexible commerce education with 108 credits. The programme structure and credits for M.Com are finalized based on the stakeholders' needs and general structure of the programme.

The Distance and Online Master of Commerce (M.Com) Programme is a two-year Programme, with inclusion of various specializations. The Programme aims at developing focused managers with a strong understanding of their area of specialization, even as the core subjects equip the students with fundamental accountancy theories and concepts along with less tangible, but equally important soft skills. The Programme is designed to inculcate confidence, improve knowledge, and act as a catalyst in the search for success and growth.

Programme Mission and Objective:

It is imparting professional opportunities for higher education through distance mode for a large segment of the population, including those in employment, women (including housewives) and adults who wish to upgrade their education or acquire knowledge in various fields of study.

- To develop analytical skills to meet the challenges of business at the national and global level.
- The course aims at equipping the students with the requisite knowledge, skills & domain expertise envisaged, by the corporate world, of industry-worthy finance professionals.
- To promote, coordinate and regulate the standards of education offered through open and distance learning in the country.
- The basic objective of the Distance and Online M.Com program is to provide advance and practical knowledge of finance stream for making participants more competent to occupy key operational positions at their workplace.
- To impart the latest and relevant knowledge of Financial Analysis.
- To develop the right kind of values and attitudes to function effectively in the competitive environment of financial analysis.

Relevance of Programme with Teerthanker Mahaveer University, Moradabad - Mission and Goals:

In order to align with the mission and goals of Teerthanker Mahaveer University, Moradabad, the Distance and Online M.Com Programme is planned to incorporate therein all relevant subjects of wide-spectrum application in real time work environment, this course offers the students great career opportunities in the financial sector.

Vision:

To be recognized as a premier institution of excellence providing high quality education, research and consultancy services to the society.

Mission:

Our endeavor is to impart knowledge and develop critical skills necessary to succeed both in professional and personal life by promoting learning supported by world-class faculty, infrastructure, technology, curricula and collaborative teaching and research with premier institutions in India and abroad.

Nature of Prospective Target Group of Learners:

It is by now well accepted that M.Com degree is an important tool for professionals to enhance their knowledge of business, accounting and taxation expand their career options and move up their career ladder, acquired accounting skills or embark on an entrepreneurial journey.

This programme has been designed for conventional learners, as well as working professionals and other individuals aspiring to acquire knowledge and associated academic credentials. Considering that all candidates interested in pursuing a degree may not be able to afford the same through a campus mode for reasons of paucity of

time or financial constraints, Distance and Online delivery is a feasible option to enable them to acquire knowledge and skills.

The programme is so designed that the prospective students who may not be able to afford full time, residential M.Com are provided with high value learning, anytime, anyplace, at one's own pace.

Appropriateness of programme to be conducted in Distance and Online mode to acquire specific skills and competence:

The courses in the programme are delivered through Self-Learning e-Module which is a modular unit of e-learning material which is inter-alia self-explanatory, self-contained, self-directed at the learner, and amenable to self-evaluation, and enables the learner to acquire the prescribed level of learning in a course of study and includes contents in the form of a combination of the following e-Learning content, and made available through four-quadrant approach namely,

(a) e-Tutorial - faculty led Audio - Video Lectures, (b) e-Content (combination of PDF/ epub) Text Materials, (c) Discussion forum for raising of doubts and clarifying the same on real time basis by the Course Coordinators/Course Mentors assigned to students (d) Self-Assessment Quiz, Test and Assignments to reinforce learning. Reference books are also mentioned in the syllabus. Latest Edition of Reference books may be referred to.

A robust Learning Management System that keeps track of delivery of e-Learning Programmes, learner's engagement, assessment, results and reporting in one centralized location, is in place. All of the above can be done/delivered by Distance and Online and other platforms without much loss of fidelity. Hence the M.Com programme is suited for Distance and Online mode of learning.

Instructional Design:
Curriculum Design:

Curriculum has been designed by experts in the area of accounting and care has been taken to include contemporary topics, as well as topics that also inculcate environmental awareness in students. The curriculum and syllabus are approved by the Board of Studies, Internal Quality Assurance Cell (IQAC) and University Academic Council which consists of experts from Academia and Industry.

Quality Assurance Mechanism and Expected Programme Outcomes

The quality of the programme depends on scientific construction of the curriculum, strong-enough syllabi, sincere efforts leading to skilful execution of the course of the study. The ultimate achievement of M.Com programme of study may reflect the gaining of knowledge and skill in accounting and taxation. Gaining of knowledge and skills in decision making of critical business situations may help the students to get new job opportunities, upgrading their position not only in employment, but also in the society.

The benchmark qualities of the programme may be reviewed based on the performance of students in their end semester examinations. Also, the feedback from the alumni, students, parents and employers will be received and analyzed for further improvement of the quality of the programme.

Teerthanker Mahaveer University has constituted Internal Quality Assurance Cell (IQAC), which will assist Director, Directorate of Distance and Online Learning to conduct periodic review and assessments and assist the Directorate to implement necessary quality measures and effectiveness in programme delivery. IQAC is constantly involved in reviewing all materials prepared by DOE, including syllabus, SLMs and e-learning content. IQAC will be involved in conducting studies to measure effectiveness of methods adopted for learning. As we proceed further, IQAC will involve in benchmarking quality of academic delivery, and perform various analyses, and guide all stakeholders towards upgrading quality constantly.

Internal Quality Assurance Cell (IQAC) chaired by the Vice Chancellor consisting of internal and external experts oversees the functioning of Internal Quality Assurance Cell and approve the reports generated by Internal Quality Assurance Cell on the effectiveness of quality assurance systems and processes.

The guidelines on quality monitoring mechanism prescribed by the UGC have been adopted by the Internal Quality Assurance Cell for conducting institutional quality audits, to promote quality assurance and enhance as well as spread best-in-class practices of quality assurance. University has setup an effective system for collecting feedback from the stakeholders regularly to improve its programmes. The University will conduct self- assessments regularly and use the results to improve its systems, processes etc. and finally quality of programmes.
